**The GACEC and its community partners are seeking donations of new “practical, portable, positive hugs” such as any other toasty, cozy items that will make children feel warm and appreciated...**

- Blankets

Handmade items are also terrific and greatly appreciated. Our only request is that they be new. We are NOT seeking donations of electronic items, candles, items which require an open flame, or food. Items will be accepted through **February 11, 2014**. We have provided a list of [drop-off locations](#), by county, for your convenience.
